Dear Potential Sponsor

As an NPO, KAD Volleyball Club (KAD VC) is an all-female volleyball club, established in 2013. With numerous achievements ranging from the provincial to the international courts, KAD VC has made it a mission to develop, mentor and create more platforms of participation for women of all ages. We believe it to be our mission to help create long-life sports participation for volleyball female athletes of all levels, and thus our representation varies from both current and past provincial, national, and international players.

As part of our vision, we encourage our senior players to continue participating in international competitions such as the World Masters Games. With the next World Masters Games being hosted in Taipei (17 – 27 May 2025), we require financial assistance for our team to both register and attend these games. This opportunity arises every four-year cycle and grants senior players from around the world an opportunity to compete and commune with athletes of similar age in various sporting codes. <https://imga.ch/event/world-masters-games-2025/>

Below is the breakdown of the estimated costs per player wishing to attend these prestigious games in Taipei; your assistance small or big is greatly appreciated.
